**I tried golf once and shot a '69' my first try. Unfortunately, the caddie pulled me over to the side and suggested I try some other activity sport, rather than golf. He even suggested Bowling.**

**Startled, I objected saying:**

**“My 69 is under par and I’ve heard that it is supposedly a very good score to start with!”**

**He replied explaining that:**

**“Well YES and NO.”**

**I demanded that he explain his comment. He said:**

**“For a whole round, yes, ‘69’ is a good score. But, this up-coming Second Hole is going to be even tougher than that first one you just completed.”**
