Replacement Windows

Last year I replaced all the windows in my house with that expensive, double-pane energy efficient kind, and today, I got a call from the contractor who installed them. He was complaining that the work had been completed a whole year ago and I still hadn't paid for them.

Helllloooo..... just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast talking sales guy had told me last year, that in ONE YEAR these windows would pay for themselves!

Hellllooooo? It's been a year! I told him.

There was only silence at the other end of the line, so I finally just hung up. He never called back. I bet he felt like an idiot.
