## I was listening to some great tunes

I was in the restaurant yesterday when I suddenly realized

I desperately needed to fart. The music was really, *really*

loud, so I timed my farts with the beat of the music.

After a couple of songs, I started to feel lots better.

I finished my coffee, and noticed . . . .that everybody

was staring at me...

Then I suddenly remembered that I was listening to my iPod.

**...and how was your day?**
