Ladies Who Drive Alone

I had a flat tire on I-45 yesterday ; so, I pulled over, got out of the car and opened my trunk.

I took out my cardboard men, unfolded them and stood them at the rear of my car facing oncoming traffic. They look so lifelike you wouldn't believe it!!!

Just as I had hoped, cars started slowing down looking at the men which made it much safer for me to work on the side of the road!

People honked and waved, and it wasn't long before a state police cruiser pulled up behind me.
