

A worried Mother gets comforting news

**concerning her daughter's Teen age
sex**

**The mother of a 17-year-old girl was
concerned that
her daughter was having sex.**

**Worried the girl might become pregnant
and adversely
impact the family's status, she
consulted the family doctor.**

**The doctor told her that teenagers
today were very willful**

and any attempt to stop the girl would probably result in rebellion. He then told her to arrange for her daughter to be put on birth control and until then, talk to her and give her a box of condoms.

Later that evening, as her daughter was preparing for a date, the woman told her about the situation and handed her a box of condoms

**The girl burst out laughing and reached over to hug her mother saying:
"Oh Mom! You don't have to worry about that!"**

I'm dating Susan!"
